SANDMAN'S BACK IN TOWN

STARRING

Marvelous Mia

Also attending the shuttle's return from outer space is Marvelous Mia.

This is an awesome field trip!

The astronauts have returned from a trip to Mars where they found a space diamond.

Wow! That diamond is as big as a football.

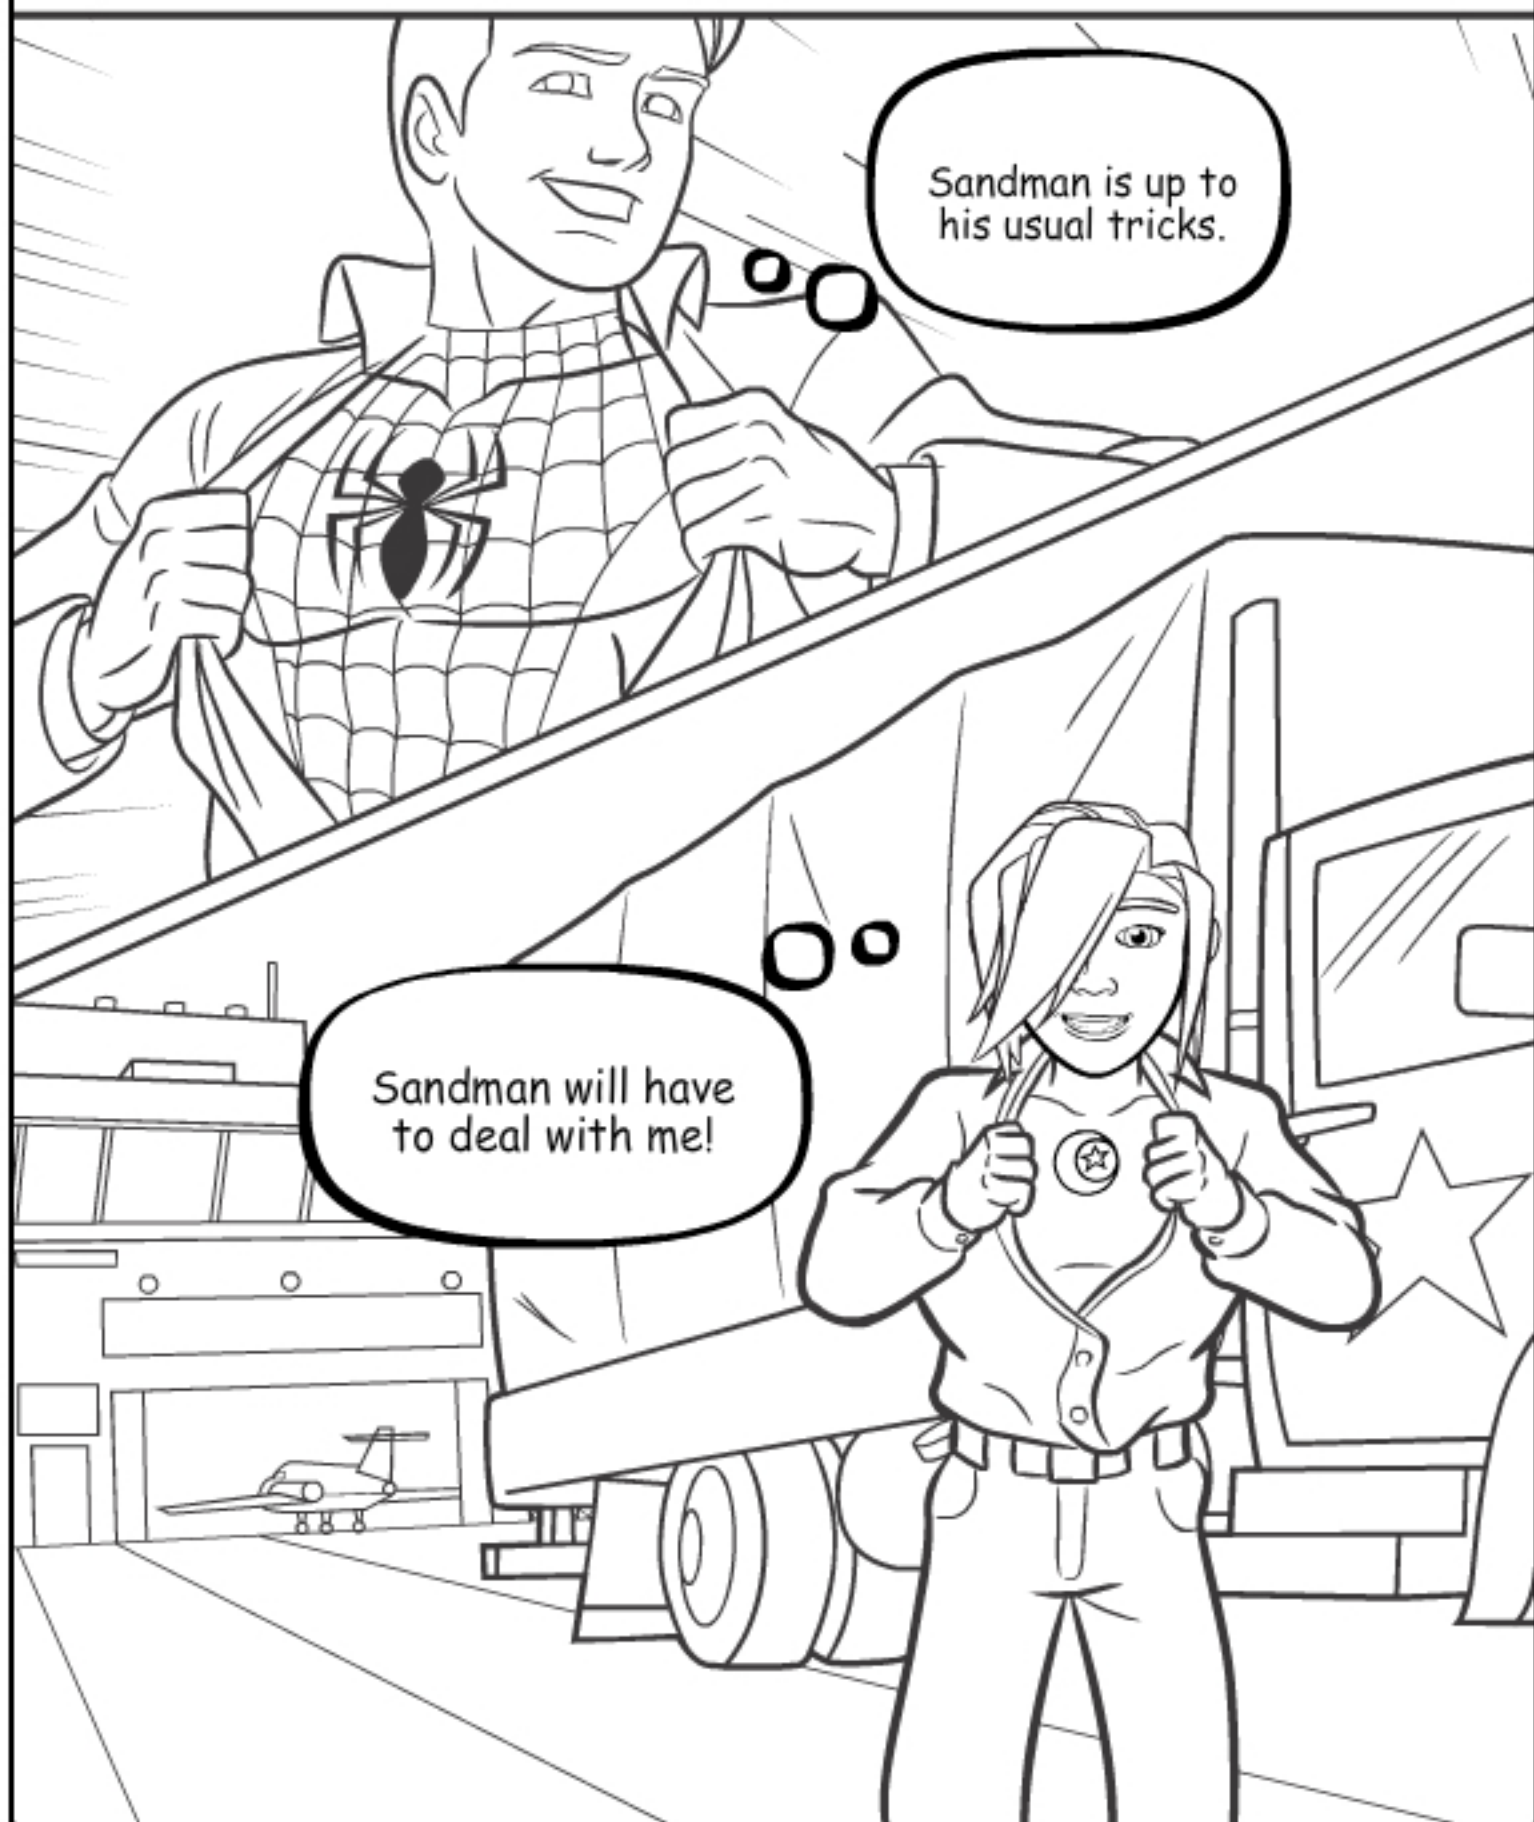

That's gotta be worth a billion dollars!

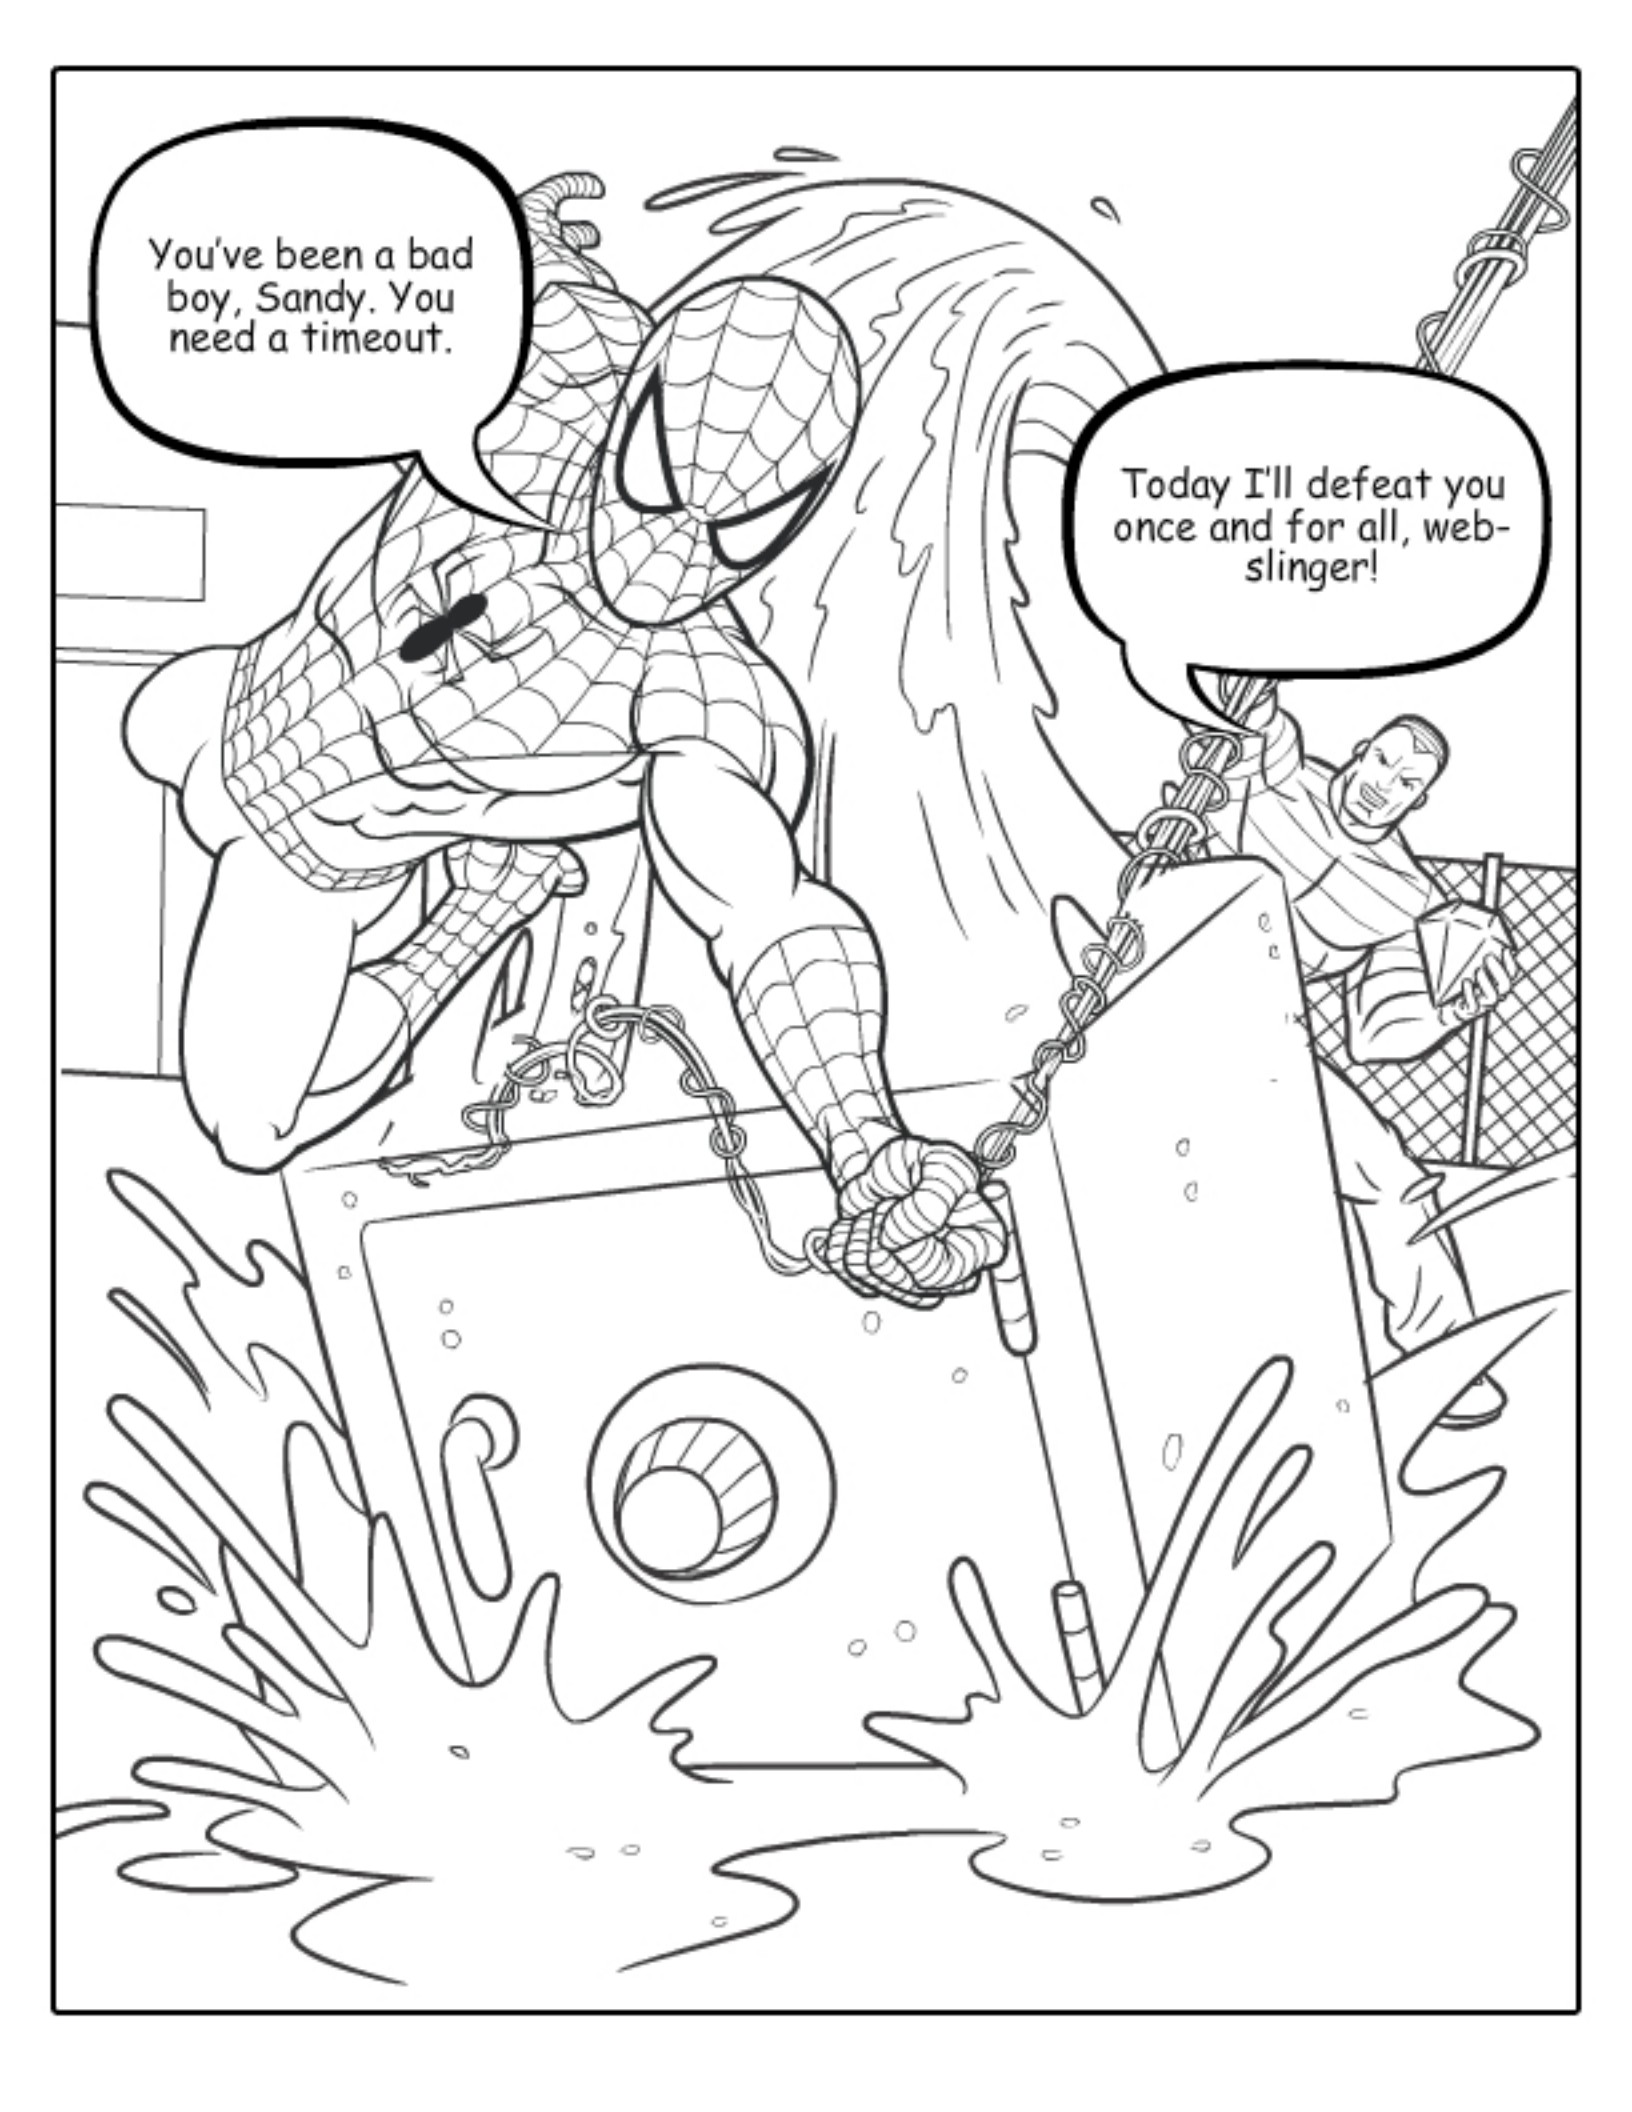

Ah... just what I need to fatten my bank account!

The fun turns to fright when Sandman attacks.

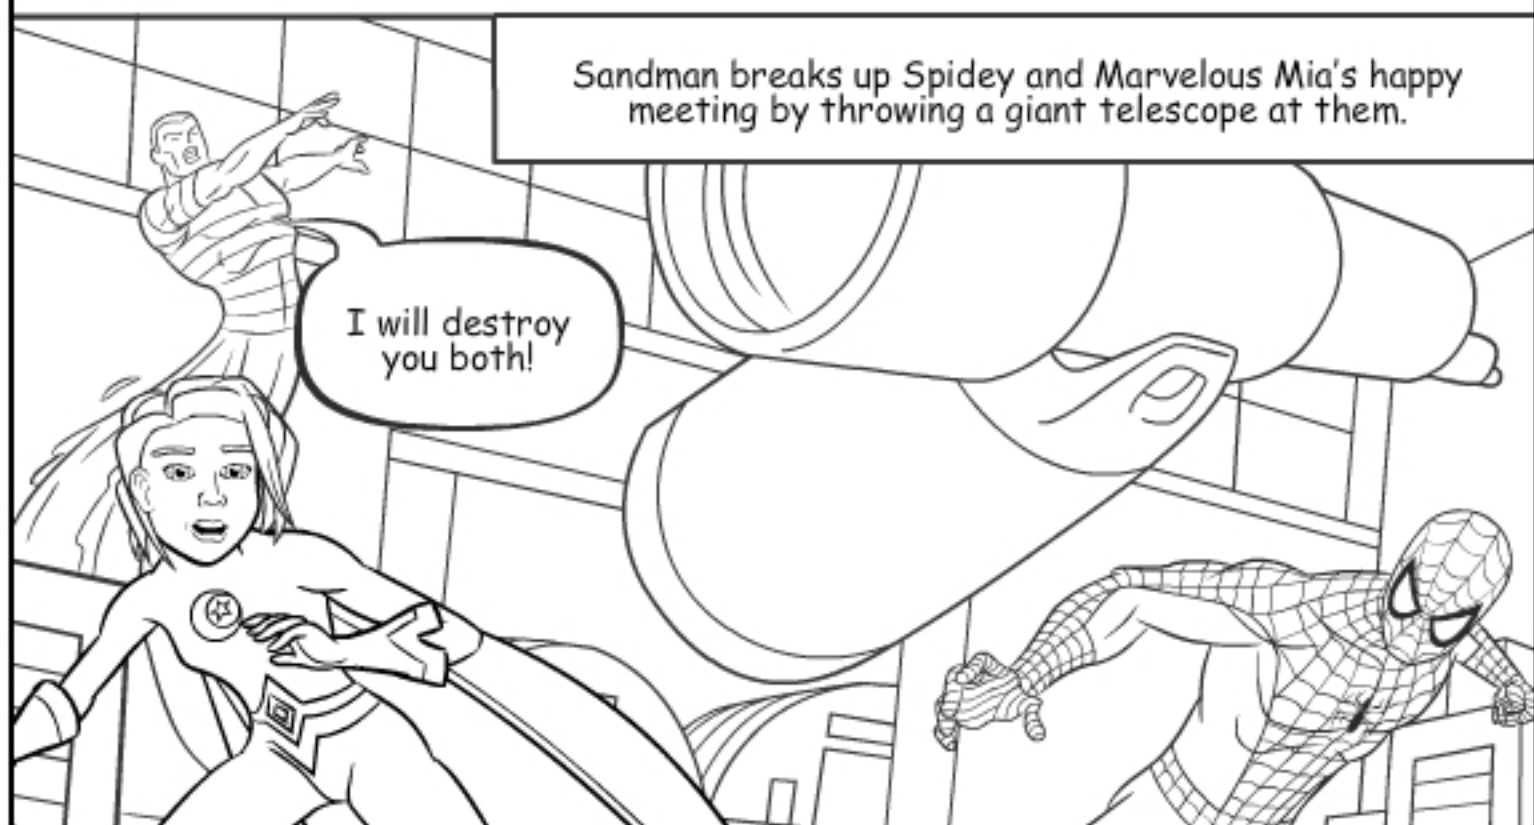

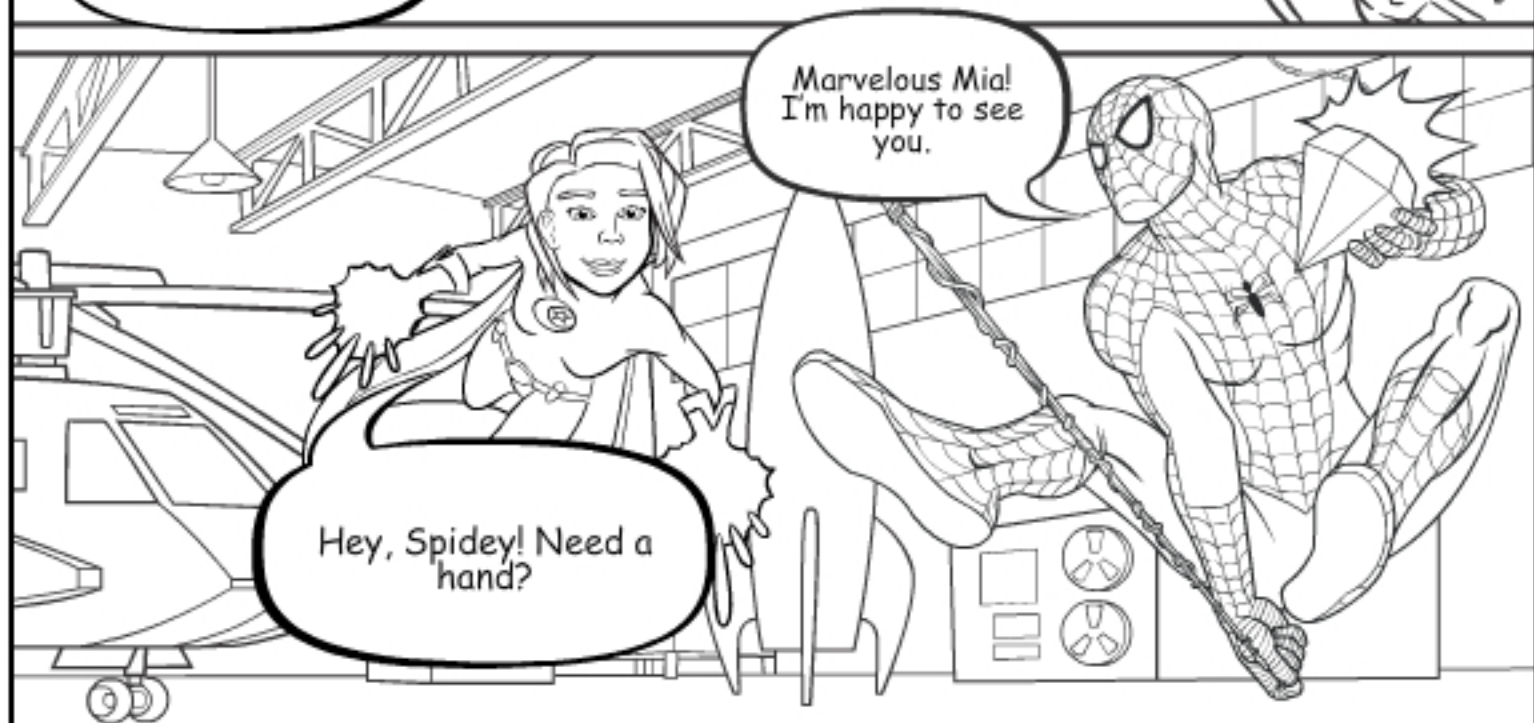

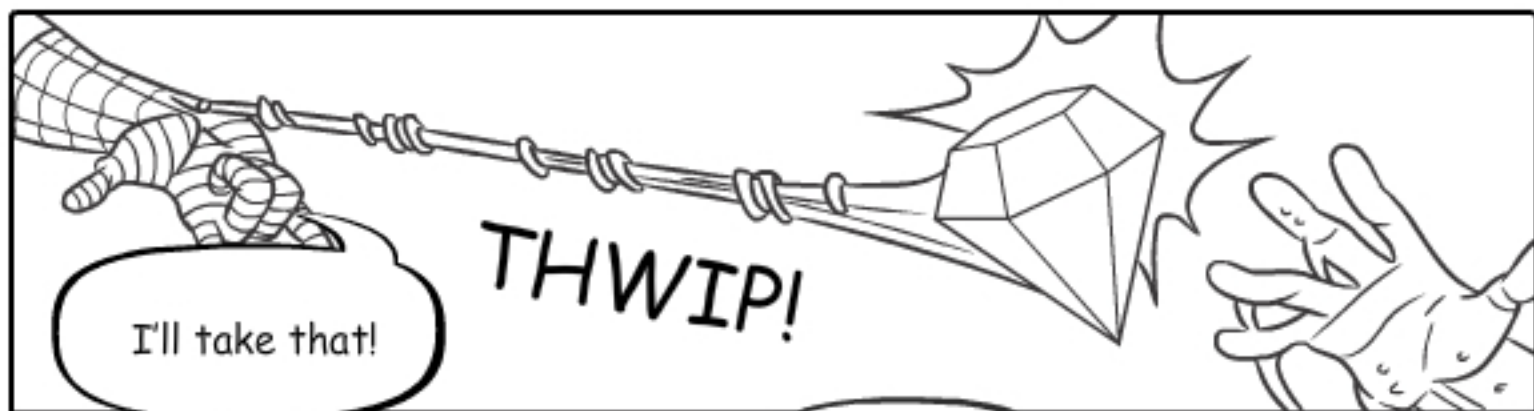

As the crowd panics, Peter and Marvelous Mia keep their cool.

A black and white comic book panel showing Spider-Man and Sandman. Spider-Man is on the left, wearing his iconic suit and mask, with a determined expression. He is holding a chain that is attached to a large, rectangular block of sand. Sandman is on the right, also wearing a suit, and is holding a large, diamond-shaped object. He has a confident, slightly smug expression. The background shows a city street with a building and a fence. The scene is set outdoors, with a large splash of sand or water at the bottom of the frame. The overall style is that of a classic comic book illustration.

You've been a bad boy, Sandy. You need a timeout.

Today I'll defeat you once and for all, web-slinger!

Spider-man hands the space diamond to a jet pilot .

Here you go, and
not a scratch on
it.

Thank you,
Spider-Man.

This isn't over just
yet, Spider-Man.

Let's see you stop all of
these missiles!

We can't let
innocent people get
hurt.

Don't worry, Spidey.
I'll take care of those
missiles.

Now, they're
harmless.

Watch out,
Marvelous Mia!

You ruined my plans,
Marvelous Mia. Now I'm
going to ruin you!

Marvelous Mia knows
Sandman has a
weakness to water.

Aaarrgh!

Need a place to dry off, Sandman?

This isn't over Spider-Man. You and Marvelous Mia haven't heard the last of me.

Yeah, yeah ...email me from prison, Sandy!

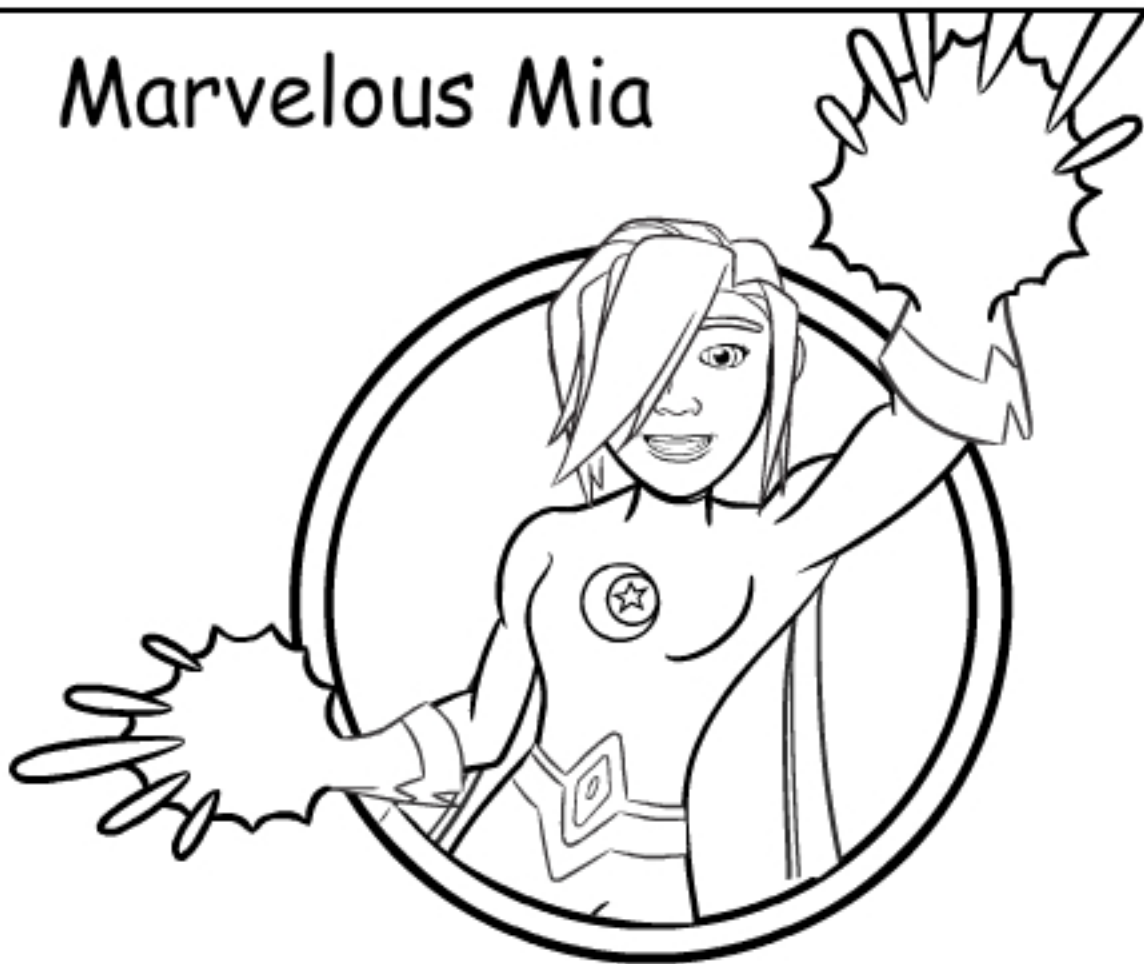

Good one, Spidey.

You did great today,
Marvelous Mia. I'm proud
to call you my friend.

Thanks, Spidey. You're
the best.
